

REACH DECLARATION - REACH 1907/2006/CE

The registration of the chemical substances in the Authorisation List produced or imported in the European Countries, is *duty* only for the manufacturer or importer companies.

The company Quetti Luigi srl declare also that our products in brass, contain the substance Lead, included in the SVCH list in concentrations of more than 0,1% (w/w)

| Substance | CAS: | EC: | Date of inclusion SVHC | Remark |
|-----------|-----------|-----------|------------------------|--|
| Lead (Pb) | 7439-92-1 | 231-100-4 | 27.06.2018 | The inclusion does not imply that the already well know classification of lead or the safe use conditions have changed |

The Candidate list of SVHC substances is periodically updated by ECHA and is available on the website <https://echa.europa.eu/candidate-list-table> , last updated on 10/06/2022.

Quetti Luigi s.r.l. carries out all the activities necessary to comply with the provisions of the REACH regulation.

All articles made with lead-containing alloys (SVHC substance in concentration above 0.1% (w / w)), have been reported to ECHA by being entered in the SCIP database on the basis of the EU Waste Framework Directive (Directive 2008/98 / EC).

Customers who need these registration numbers should contact the manager Quetti Stefania.
